

TRUSTEDDOCKS.com

We know where ships are docking.

www.trusteddocks.com/shipowners

trusteddocks.com helps shipowners to find the right shipyard for their maintenance projects in the designated region. Furthermore shipowners can monitor the progress of their project and the utilization of the chosen shipyard. Trusteddocks also informs about all newbuild projects around the globe and gives information about vessels that leave the market for scrapping.

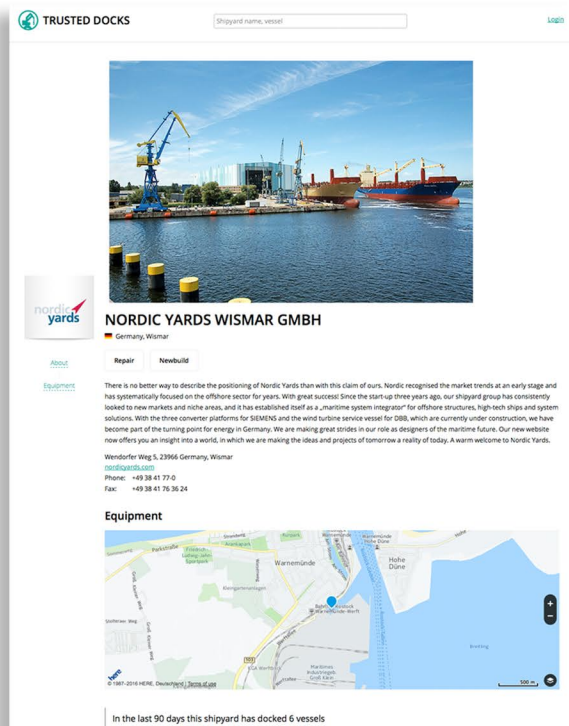

FEATURES

- Complete knowledge about all newbuild activities
- Shipyard search & shipyard finder
- See utilization and usage of shipyards you are interested in
- Scrapping activities from wrecking yards
- Give ratings and recommendation about shipyards
- Search for engines, equipment and second hand spare parts

BENEFITS

- Have direct contact to shipyards and give them your feedback at fingertip
- See what other shipowner do and where they dock & scrap their vessels
- Find the right shipyard for your vessel in your region for the right purpose
- Save money & time and reduce the risk of making a wrong choice when choosing a shipyard
